

Interacting With Centron System Solutions.

1. **Please do not disclose your idea to anyone** unless you have obtained or have applied for patent or design protection, as this can cause problems in the future; even then, only discuss it under a non-disclosure agreement.
2. Our confidentiality or non-disclosure agreement can be inspected on the prototype page of our web site.
3. Contact us by email at Query@CentronSolutions.com **OR** by filling in your details on the contact page on our Web site. (Press the SEND button to forward the details to us.) Please also include a FAX number where we can send the signed confidentiality agreement to you.
4. **Do not send details of your idea at this stage.** We will sign and date the agreement and send it to you to keep.
5. Once you have received the signed confidentiality agreement please complete the Invention description form and send it to us via email or Fax it to us at the Fax number, details are on the contact page on our Web site.
6. We will get back in touch within 2 to 3 working days.
